DUFF New Attraction has become a very popular choice for many. He is a growth and performance specialist that will kick in the added bonus of eye appeal and structurally correct calves. The top selling animal in the Elite all Breeds Sale at the Royal was a daughter of New Attraction. Sale toppers is his forte.

The Forever Lady 0604 cow is one of the most impressive females in our program. She has consistently produced some of the top bulls and females we have ever sold. She dominated in the show ring and she is doing it in the pastures now. She is the kind of female that no matter what bull you throw at her she will kick out a good one!

We have only sold a few of Forever Lady calves because they are so hard to part with. The New Attraction, Forever Lady mating has a great deal of potential don't miss out on a rare opportunity!
