TAMBRI FARM

Tambri Farms is a family farm located west of Paisley in Bruce County. We run a herd of 40 brood cows. We are constantly striving to produce hard working and good looking cattle. All calves are performance tested, including weights and ultrasounds. We use AI sires including SAV Network, BC Lookout, SAV Wall Street, and WC Adventure. We are proud shareholders of WC Adventure, the Grand Champion Bull at 2008 Royal National Show. Our walking bulls are all performance tested and in 2007 we had the top bull for all of Ontario, Pride of Tambri 3R. You can see our consignments at the Highlight Sales, Royal, Bluewater and Futurity. Visitors are always welcome at Tambri. Stop by and see our herd.

The A. Cameron McTaggart Ontario Aberdeen Angus Association Scholarship Program

The Ontario Aberdeen Angus Association Scholarship program was established in 1981 to assist worthy students who are junior members of the Ontario Angus Association continue their education beyond the secondary school level.

Who is eligible?

The awards are open to a student who

- Is a Canadian citizen and a resident of Ontario.*
- Is graduating from a secondary school.*
- Is a member of the Ontario Angus Association*
- Has been accepted by a University or other school of higher education.*

Value of Award

There are presently two (2) scholarships, each at a value of \$4000.00. They will be granted of two students entering post secondary school education.

Changes in the Award

The Association reserves the right to change the award program but will complete obligations to winners at the time of the change.

How to Apply

*Application forms and information can be obtained by contacting:
